

A chance for a winter Flowboarding (surfing / wakeboarding) experience in the warm, no expensive plane tickets required!

You don't even need to be able to swim. You are riding 2inches of water above a soft membrane similar to a bouncy castle.

Tentative Program

- 09:00 Leave Weston Turville
- 10:15 Briefing
- 12:00 Surfing Lesson
- 13:00 Restaurant

The Twinwoods Adventure site was formerly a military research base, with five wind tunnels used to assist the design and testing of the latest aircraft developments.

Some very notable creations started their lives Twinwoods. Vertical Take off with planes like the Harrier Jump Jet was born in Bedford with the flying Bedstead, Concorde development and blind landing technology all spearheaded at this former Royal Aircraft Establishment site.
