

My Falklands War - Rear Admiral Dr Chris Parry CBE PhD

Thursday 30th November at 2.30 p.m. on Zoom

We are delighted to welcome once again this talented speaker who gave us such an illuminating talk on the situation in Ukraine last summer. This time he will offer insights about the Falklands War based on his own experience as a member of the helicopter flight of the destroyer HMS ANTRIM. He will describe in detail his part in the operation to recover South Georgia, including the rescue of 16 SAS from a glacier and the disabling of an enemy submarine, as well as in the landings at San Carlos and the subsequent operations that restored the Falkland Islands to British sovereignty.

As well as being a military historian, Chris is also an author and broadcaster. His latest book is entitled “Super Highway: Sea Power in the 21st Century”.

Cost for the talk is £1 per device. Please book electronically by clicking on the TICKETSOURCE icon immediately below the event on www.u3atvnetwork.org.uk. This is by far the best and easiest option.
