

PICK UP A UKULELE

George Bonner, of Faringdon U3A, has very kindly volunteered to lead this Zoom event. George is an established teacher of the Ukulele and has regular bookings to run courses, both on cruise ships and in schools. We are very fortunate to have such a leader to help those who want to learn how to play the instrument. Playing the ukulele is fun!

This event will be ideal for:

-  Those who own a ukulele but do not yet know how to play
-  People who are keen to start, but have not chosen an instrument yet
-  Experienced ukulele players who wish to set up a U3A group

PROGRAMME

10.30 *Introduction* by Susie Berry

Talk by George Bonner:-

-  5 types of ukulele and their features
-  Demonstration of what can be achieved with just one lesson
-  Ukulele geography, strings, frets, etc.
